HVAC & Metals Institute

Welding Series / Open Welding Lab

The HVAC & Metals Institute is offering a 10 week welding series. You may take the whole series, just come for certain welding processes, or come and utilize the open welding lab. Welders must come ready to weld and be wearing boots, a long sleeve shirt and work pants.

Building Trades Journeymen, Building Trades Apprentices, Production Journeymen and Production Trainees whose employer contributes to the Training Trust are eligible to take this class.
