

HVAC & Metals Institute

When an Emergency Strikes...

WILL YOU BE READY TO SAVE A LIFE?

First Aid / CPR Review Course

Requirements/Description:

To be eligible to participate in this review course the participant must possess a current American Red Cross certificate (or equivalent) in First Aid or First Aid/CPR training. Non-certificate holders **may not** participate in this review course.

The purpose of this review course is to provide individuals with the opportunity to review the course content within a formal class setting. This format optimizes the participant's ability to successfully complete the knowledge and skills test. The responsibility for preparing for the final exam is shared by the instructor and the participant.

Each participant will have the opportunity to view video segments, practice and perform skills for evaluation and complete the written exam.

For class dates & times check the schedule at www.sheetmetal-16.org and click on "Continuing Education" then call (503) 257-1022 to sign up

Together, we can save a life
