## Sheet Metal Worker Apprenticeship Opening

The Sheet Metal Workers Apprenticeship Program will be **accepting applications every Wednesday from 1:00pm to 4:00pm** starting March 4, 2009 until further notice. **Applications must be submitted in person at the Region 1 Sheet Metal Apprenticeship Office at 2379 NE 178<sup>th</sup> Ave., Portland OR 97230 - Ph: (503) 257-1022**

**Description of the trade:** Sheet metal workers fabricate and install fittings and duct work used in construction or industry for heating, ventilation and air-conditioning systems in residential, commercial and industrial applications. They set up and operate shears, press brakes, hand brakes, bending rolls, welding machines and other equipment to cut, form and attach metal together for applications such as metal roofing and stainless steel work for restaurants, kitchens and hospitals. They prepare shop and field drawings manually and with computer programs. Computer skills are becoming increasingly important for controlling industrial equipment.

**Working Conditions:** The work is performed both indoors and out, using scaffolding, ladders and high lifts, and in awkward positions and cramped spaces. Sheet metal workers may work in shops performing fabrication work or on construction sites, doing installation.

**Selection Method:** Ranked based on scored interview combined with points based on documentation of classroom training and previous work experience.

- Applicants must have all qualifying documentation at the time of submitting application, no exceptions. If you do not have all qualifying documents at the time of application you must wait until the following Wednesday to make application.
- Applicant **interviews** will be **the month following the month of application** unless otherwise notified for those who meet the entrance requirements.
- After the completion of the interview, the applicant will be scored and placed on a ranked pool of eligible's for possible future acceptance into the apprenticeship program.

### **Sheet Metal Worker applicants must meet the following Entrance requirements:**

- Must be eighteen (18) years or older
- Must **provide** your **high school transcripts showing graduated with a minimum 2.0 GPA** or **provide GED** showing a **minimum score** in each category of **51**(for scores **obtained before 1/1/02**) or **510** (for scores **obtained after 1/1/02**).
- Must have **1 year high school algebra or equivalent post high school algebra** course with grade of "C" or better
- **Provide AccuPlacer College Placement Test** showing placement into **Math 60 & Writing 101** minimum, OR **Compass Test** showing placement of **equivalent** to AccuPlacer Math 60 & Writing 101

(Contact Mt. Hood Community College for test procedures)

- Placing above Math 60 on AccuPlacer test counts towards algebra requirement
- Placing into or above math 60 will satisfy the 510 score for the math portion of the GED test
- Placing into or above writing 101 will satisfy the 510 score for the writing portion of the GED test
- Placing into or above reading 115 will satisfy the 510 score for the reading portion of the GED test

**NOTE:** Individual employers may require a valid driver's license and or pre-employment drug test.

Women and Minorities Are Encouraged To Apply. - Veterans that have GI benefits may use them in this program.

### **Equal opportunity employment**

### **Geographical area where participating Employers are located:**

Multnomah, Clackamas, Columbia, Clatsop, Crook, Deschutes, Gilliam, Grant, Harney, Jefferson, Sherman, Tillamook, Washington, Wasco, Wheeler, Hood River, Marion, Polk, Linn, Benton, Lincoln, Yamhill Counties in Oregon, Clark and Skamania Counties in Washington.
